

Certified Refurbished GSP-1600 Handheld Satellite Phone

Globalstar provides true interoperability for the public and private sectors to communicate within and across agencies, jurisdictions via voice and data, in real-time, when needed, and as authorized. Personnel can quickly, and clearly, coordinate with co-workers when terrestrial networks are down.

KEY FEATURES

- **Powered by 100% satellite technology** – Works where cell phones don't.
- **Crystal-clear voice quality** – No “tunnel sound” or voice delay during conversation like the competition.
- **Utilizes Globalstar’s fastest data speeds** – 4X faster than any other mobile satellite company and getting faster every day (9600 hotspot required, sold separately).
- **Canada-based phone number** – Direct dialing of 911 services right out the box while our competitors use country codes, making dialing very difficult.

GSP-1600 SERVICES INCLUDES

- Crystal-clear voice quality
- Voice Mail Services
- Data Services
- Incoming Short Message Service (SMS)
- Display Position Location Information

ADDITIONAL FEATURES

- Battery Meter
- Signal Strength Indicator
- Voice Mail Notification
