

ASPIDA PK SECURITY SYSTEMS

Globalstar Value Added Reseller

Company Presentation

ASPIDA SECURITY has been offering preferred solution systems since 1998. They offer a reliable service, using best of breed materials ensuring protection of your space and your life.

ASPIDA SECURITY specialises not only in the installation, but in the service of safety systems as well. More specifically, they undertake to serve customers in the following sectors:

A) SAFETY SYSTEMS

1. SMOKE AND HEAT DETECTORS
2. SURVEILLANCE SYSTEMS
3. ALARM SYSTEMS, for houses and enterprises

B) CLOSED CIRCUIT TELEVISION: ASPIDA SECURITY quickly installs CCTV systems with monitor and recording capability via PC cards (cards DVR)

C) VIDEO DOOR ENTRY SYSTEMS: ASPIDA SECURITY use Comelit innovator materials and as a result, guarantee their customers excellent functionality using these products. Moreover, they offer customers a 2 year guarantee.

D) DOOR AUTOMATION SYSTEMS: ASPIDA SECURITY are an official distributor of GiBiDi products, one of the largest and well-known supply companies. They also offer executive service of these automations.
