

DOLINK

Globalstar Value Added Reseller

Company Presentation

Dolink is the first leisure boats geo-location service platform on the market to use at home. The service provides an attractive web interface and a GPS / satellite box. We focus development of the interface on user experience and feedback.

How should you use Dolink:

- **Daily** : <http://www.dolink.fr/au-quotidien>
Everyday, look where your boat is, see GRIB weather forecasts and winds maps
- **Share with friends and family** : <http://www.dolink.fr/partager>
Reassure your family, exalt your friends
- **Protect your boat from theft** : <http://www.dolink.fr/proteger>
Be warned the first, track the thieves
- **In case of emergency** : <http://www.dolink.fr/avertir>
Ask for help at sea, accelerate rescue
