

## About Global Telesat Communications

Global Telesat Communications is a UK based supplier of mobile voice and data communications services via satellite. We offer the full range of Globalstar products including satellite phones, satellite tracking devices, accessories and airtime.

GSP-1700  
Satellite Phone

SmartOne  
Asset Tracker

AxTracker MMT  
Asset Tracker

SPOT GPS  
Satellite Messenger

SPOT Connect  
Satellite Messenger

We offer full mapping services for Globalstar simplex tracking devices such as the SmartOne, AxTracker MMT and SPOT products through our online tracking portal, GTCTrack. Using a Google Earth interface, GTCTrack displays real-time worldwide asset location reports including position, speed, altitude and heading and also provides past location and movement history reports.
