

OWAKA

Globalstar Value Added Reseller

Company Presentation

Owaka is the leading provider of safety equipment and geo-localisation security to the global power-sport industry.

Owaka work with the biggest rally-raid organisers, namely Tuareg Rallye, Libya Rally, Europ'Raid, 205Trophee and PandaRaid.

In order to facilitate the largest rally-raid events, Owaka owns over 400 SPOT Gen3 units. They have a team of dedicated web-developers and project managers who devote their energy, expertise and enthusiasm to help make customer geo-localisation interfaces the very best they can be.

Contact Owaka for the best geo-localisation ideas, innovation and experience.
